The Peoples Store

West Cookeville's Department Store

Cookeville is the greatest town of all good towns in Sunny Tennessee. It does more in a few days than all other nearby towns combined accomplish in a whole year—that's why we are happy to be citizens of Cookeville. Cookeville is called the garden spot of Putnam County, having retail stores of all descriptions, mills and other institutions, which for lack of space we cannot mention. But we do most particularly want to call your attention to our store of values: The store that will eventually be your shopping place all the time; the store that makes the heart glad because of the good money it saves you. We ask you to compare the good things we will have on sale Saturday.

Take a dose of equal parts of hope, tolerance and good will toward all, and then plan to make your wife happy by making your purchases on this bargain day at The Peoples Store.

Believe in yourself. * Tell yourself that this is the best country on earth and that your own town here is the center of the world, and fill up with gratitude. When the truth is the worst thing you can say about your neighbor don't talk, but tell others of the many bargains on sale Saturday at The Peoples Store.

A bushel of sunshine, a barrel of fresh air sifted through open windows, a hearty laugh, a tub of water, 8 bars of Lenox Soap bought Saturday at The Peoples Store for 25c and a vigorous rub is and old fashioned recipe for health.

He Should Remember It.

Scientists should remember that a grasshopper can jump 200 times its own length. This fact should be remembered by the collegian who thinks he is going to be needed in the world because he has broken the jumping record.—Chicago Record-Herald.
